### **(811) -Repair Services**

industries in the repair and maintenance subsector restore machinery, equipment, and other products to working order. these establishments also typically provide general or routine maintenance (i.e., servicing) on such products to ensure they work efficiently and to prevent breakdown and unnecessary repairs. the naics structure for this subsector brings together most types of repair and maintenance establishments and categorizes them based on production processes (i.e., on the type of repair and maintenance activity performed, and the necessary skills, expertise, and processes that are found in different repair and maintenance establishments). this naics classification does not delineate between repair services provided to businesses versus those that serve households. although some industries primarily serve either businesses or households, separation by class of customer is limited by the fact that many establishments serve both. ...

### **(811) -Restaurants -- An Introduction**

...
